## **DETAILED ACTION**

### ***Terminal Disclaimer***

1. The terminal disclaimer filed on 12 June 2006 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US Patent No. 7,023,763 has been reviewed and is accepted. The terminal disclaimer has been recorded.

### ***Allowable Subject Matter***

2. Claims 1-11 are allowed.

3. The following is an examiner's statement of reasons for allowance:

a. Regarding claims 1 and 7, the prior art of record does not teach or render obvious an illumination assembly for a watch having all of the structure and functionality as claimed, including a housing with a channel extending through said sidewall from a first end located in said interior compartment to a second end at the exterior of the housing, a first and second means for illumination, said second means for illumination located in said interior compartment positioned adjacent the rear portion of said first means of illumination, wherein light from the second means of illumination is directed into said interior compartment, and light from said first means of illumination is directed through said channel exiting the watch housing.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
